

REQUIREMENTS TO OBTAIN A STATE MOBILE FOOD PERMIT

Complete and submit Plumbing Plan application form with riser diagram. Review fee is \$100.

Food truck or trailer must meet the following requirements:

1. Hand sink. (Splash guard may be required if adjacent to other sinks).
2. Three compartment sink.
3. Potable water tank. **Fresh water tank must have the NSF (National Sanitary Foundation) seal.**
4. Waste water retention tank which is 50% larger than potable tank.
- 5. Hot and cold water under pressure.**
6. Toilet facilities to be conveniently located near area of operation.
7. Plumbed to meet the KY Plumbing code. Refer to Section 36, Kentucky Retail Food Code.

When you are ready for inspection, bring your truck/trailer, completed Plan Application form (with riser diagram) and payment to 808 Newtown Circle between the hours of 8-9:30AM. Your truck/trailer must be under power—all coolers/freezers must be at temperature and hot/cold running water will be verified.
